

2020 Application for High School Internship

Infinity Theatre Company enriches Annapolis with professional New York City theatre that inspires and transforms artists and audiences, through imagination, creation, and the infinite possibilities found only in theatre.

Our goal is to inspire and help prepare students for theatre in higher education and immersion into the professional theatre business. Infinity offers part-time summer internships to local high school age students interested in learning more about professional theatre. Students spend their time observing rehearsals, working backstage, ushering, assisting in the box office, helping with publicity and events, and participating in classes. High School Internship submissions must be received by April 20, 2019.
